Thank you for
supporting the
Danville Science Center!

DISCOVER! EXPLORE! INTERACT!

The Science Center offers teachers a free year of unlimited opportunities to explore the world through science!

Investigate the plants and animals of the Danville region and beyond in the **Estelle H. Womack Natural History Collection**. Step into the **Fundamentals of Science Gallery** to uncover fascinating facts about electricity, motion, perception and the human body. Visit **Sproutsville** featuring stations designed to enthrall the youngest scientists. From April to October, experience the seasonal beauty of the **Butterfly Station and Garden**.

Visiting exhibitions on a wide range of topics guarantee that there are always new things to discover.

Basic membership privileges:

- Unlimited free exhibit admission
- Free admission to more than 250 science centers, including seven in Virginia and 12 in North Carolina
- Free admission to and member benefits at the Science Museum of Virginia and Aviation Museum in Richmond
- Discounts on purchases made in Shop 4 Science
- Free subscription to Danville Science Center News
- Invitations to exclusive premieres and events
- Discounts on classes, programs and birthday parties!

Note: Group reservations and partnership programs include special museum services and discounts; therefore, members visiting as part of a group must pay the group rate.
