Choose from these hands-on activities:

Birthday Bubbles

(Recommended for children turning 3 – 7 years old)
Enjoy bubble tricks and games. Learn how bubbles get their shapes and colors, join us as we create giant bubbles, and blow some of your own as we experiment with bubble solutions.

Meet the Animals

(Recommended for children turning 3 – 9 years old)
Explore the wonder of forests and meet the critters that inhabit them. After making an owl mask, use it to blend in as you hunt for friends and food in the Estelle H. Womack Natural History Collection.

Matter Magic

(Recommended for children turning 5 – 11 years old)
Learn the different states and properties of matter as you experiment with different substances to create your own slime and oobleck!

Rocket Power

(Recommended for children turning 6 – 13 years old)
Become a rocket scientist as you learn about aerodynamics and gravity. Create your own paper rocket and watch them blast off!

The Digital Dome

(Recommended for all ages)
In lieu of a hands-on activity, choose a full dome show from our current features.
