### The Magic of Matter!

June 17 – 21, 1:30 – 4 pm

Explore the strange world of matter. Watch matter as it changes from one state to another. Mix different components to create slime and enjoy lots of other fun ooey gooey science experiments. Observe the magical properties of compounds explained through science.

### Crazy Critters Camp

July 8 – 12, 9:30 am – Noon

Uncover the adventurous world of insects, animals and the places they call home. Create your own little environment some critters can call home, while exploring local habitats. Discover the “super strength” of some animals and the power of plants. This is an awesome week of fun and exploration for your growing naturalist.

## Ages 8 – 12

Camp Fee: \$105 Member; \$125 Non-Member

### C.S.I. Camp

June 17 – 21, 1:30 – 4 pm

Investigate, probe and uncover! Develop your mystery solving skills as a super sleuth using the tools of forensic science! Find hidden treasures, solve puzzles and complete challenges to discover “Who done it?” as you become a modern day Sherlock Holmes at C.S.I. Camp.

### Robots & Rockets

July 8 – 12, 9:30 am - Noon

Discover the fascinating world of robots and rockets. Bring to light the inner workings of these marvels of engineering and technology. Design and control your own robot using everything from compound machines to computer software. Take part in exciting games and challenges to uncover the secret to successful missions to other worlds.
