

Impact Report 2024–2025

# Your Impact

Dear Friends of the Danville Science Center,

As we look back on a truly remarkable year, one thing stands out above all: we couldn't have done any of it without you. Thanks to your support, encouragement and belief in our mission, we reached more minds, sparked more curiosity and deepened our impact in ways we never imagined.

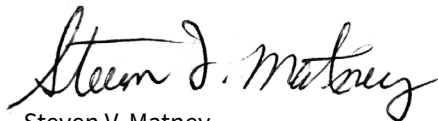

Together, we launched journeys Into the V.O.I.D., released butterflies into the Butterfly Station and provided inclusive sensory-friendly events for families who need them most. We were able to provide reduced admission and memberships for more than 4,800 individuals in our community, and meet thousands of guests wherever they are through outreach and virtual STEM programming. We welcomed students on field trips, cleaned trash from our local river and ignited curiosity in countless young minds. Because of your generosity, we have been able to add another full-time employee to do all of this and more in the coming year.

Every moment, every milestone and every memory made this year was possible because of you. Your support continues to shape the future of informal science education and exploration in our region, and we are deeply grateful.

With heartfelt thanks,

Adam Goebel  
Executive Director

Steven V. Matney  
Foundation Board President

# Your Support Funded

**60,000 guests**

exploring all the Science Center has to offer

**54 campers**

at 4 summer camps

**765 field trips**

for 10,514 students

**203 attendees**

at sensory-friendly events

**6,545 individuals**

at 27 outreach programs

**282 lb of trash**

collected through river cleanups

**12,939 views**

for Stream into the V.O.I.D.

**937 budding inventors**

in our J.T. – Minnie Maude  
Charitable Trust Creativity Lab

The Danville Science Center Foundation is a nonprofit organization, established to support the Danville Science Center. Below are the operating costs for the year ending June 30, 2025. (Unaudited)

## Unrestricted Expenses

Science Center Support: \$52,773

Fundraising: \$13,873

Operations: \$15,971

Personnel: \$62,803

Retail Operations: \$28,554

## Unrestricted Revenues

Annual Fund: \$60,894

Corporate Partners: \$38,469

Retail Sales: \$51,498

Fundraising Events: \$40,714

Other: \$4,134

## Danville Science Center Board of Directors 2024–2025

Steven V. Matney, President  
Carrie Syvanthong, Vice President  
Delos Boyer, Treasurer  
Beverly Cocke, Co-Secretary  
Gabi Ritter, Co-Secretary  
Wendy Sampson, Past President  
Adam Goebel, Ex-Officio

**\$60,894**

*“The Danville Science Center has been a treasure to our family for three generations. It’s always the first place our grandsons want to visit. We all look forward to exploring new exhibits, checking to see if our skills have improved on the racetrack in Go and creating something exciting in the lab. Supporting the staff and programs through donations is always part of our giving plan.” -Anne Foster*

## Thank you!

We hope you’ll continue to help us make an impact in 2025–2026 to achieve our mission of enriching all lives through science.
